763 16 Fryšták

Welcome to the A-T-K Fryšták s.r.o. The safety of our guests and employees is our concern. Obedience of the following rules is required when entering the premises.

1. GENERAL NOTICES

1.1 Checking in

Visitors are required to check in by responsible person before entering the premises. Visitors of the premises, the plant and warehouse, must be accompanied by their guides at all times with the only exception of subcontractors doing assembly or service works at a specific, dedicated site

1.2 Checking out

Please check out after your visit by the responsible person.

1.3 Preceptive authority

Please follow the instructions of your A-T-K Fryšták s.r.o. guide. Please pay attention to the forbidden commands and warning notices inside the premises. Disobedience may lead to an immediate expelling from the premises. In case of injury, please inform your A-T-K Fryšták s.r.o. guide.

1.4 Smoking/alcoholic beverages

Smoking is allowed only in designated areas and during a set time. In case of need, please ask your guide and you will be provided with a plan of the premises with marked smoking areas. Sale and consumption of tobacco, alcohol and other narcotics is prohibited.

1.5 The prohibiting of recording

Filming or any other kind of audiovisual recording is strictly forbidden. Please note that the premises are under camera surveillance at all times.

2. TRAFFIC RULES

General traffic rules apply on the premises. The maximum speed is limited to 15km/h. Cars must be parked in the spaces signed "P – A-T-K". Please stay on the car roadways and drive through

the shop gates carefully. Emergency and escape roads must stay clear at all times. Drivers may not restrict or block the fluent transport of products, raw materials and waste with their cars.

It is forbidden to damage the property of A-T-K Fryšták s.r.o. in any way. In case of damage, it must be immediately reported to the suit or the secretary.

3. ON THE PREMISES

3.1 Walkways and doors

Please use marked walkways and doors. Pedestrians are not permitted to pass through rolling doors. Please pay attention to the traffic and moving forklifts.

3.2 Suspended loads

Please keep clear of any suspended loads.

3.3 Danger of tripping / falling

Watch out for areas with the possibility of danger from tripping and falling

3.4 Obedience of security instructions

Please obey and adhere the forbidden commands, no entry and other warning signs as well as company's rules, whilst in these premises.

3.5 Personal protective wear

Please wear strong closed footwear on the shop floor.

Use ear protection if spending longer time in areas with elevated noise levels. The areas are clearly marked with warning signs. Your guide will provide you with a required protective wear if necessary.

Use eye protection if spending time around chemical material. Your guide will provide you with a required protective eye if necessary.

4. EMERGENCY

In case of accident, fire or other emergencies:

4.1 Emergency calls:

In case of evacuation, please make your way to the meeting point - the company courtyard.

Fire brigade - tel.: 150
Emergency medical service - tel.: 155
Police ČR, - tel.: 158
SOS – tel. 112

4.2. Emergency and escape routes

Exit the risk area immediately and warn other people in the vicinity. In case of fire, please use available and appropriate fire extinguishers if possible..

4.3 Emergency services

Please follow the instructions from the emergency services and the fire squad if they are called upon.

5. LIABILITY

Entering the premises is at the visitors own risk. The visitors are fully responsible for any damages to property or people's health.
